If you would like to speak during the public comment portion of the meeting, you have the following options:

- 1. <u>Online</u> raise your hand or use the Q&A panel to submit written comments.
- 2. **Phone** press \*9 to raise your hand, \*6 to send a request to be unmuted to submit verbal comments.

The meeting officially will start at 7:00pm, though remote access will be open 15 minutes before the start of the meeting.

Public engagement is important to the District, and hybrid meeting protocols are an evolving process.

We appreciate everyone's understanding as we work through this together.

# Minutes of the Regular Meeting of the Aromas Water District Board of Directors August 24, 2021

- I. CALL TO ORDER. The regular meeting of the Aromas Water District Board of Directors was called to order by President Leap on Tuesday, August 24, 2021 at 7:00 p.m. in a hybrid setting; attendees were both present in the Board Room and online via Zoom.
- II ROLL CALL. President Leap, Vice President Morris and Directors Dutra, Holman and Smith were present. Also in attendance were General Manager Johnson and Acting Board Secretary Giron. Counsel Bosso was absent until later in the meeting.
- III. PLEDGE OF ALLEGIANCE. President Leap led the pledge of allegiance.
- IV. STATEMENTS OF DISQUALIFICATION. There were no disqualification statements.
- V. ADDITIONS AND DELETIONS. There were no additions to, or deletions from, the Agenda.
- VI. MINUTES. The minutes of the July 27, 2021 Board Meeting were presented for review and approval. Vice President Morris moved for approval of the minutes as presented; Director Smith seconded. Minutes were unanimously approved with all Directors present.
- VII. ORAL COMMUNICATION. There were no public comments.

#### VIII. REPORTS/PRESENTATIONS

- **A.** Director's Report(s). There were no Director's reports for July.
- **B.** Attorney's Report. There was no Attorney's report for July.
- C. Presentation of President's Award. Charlotte Holifield, the Coastal Network Public Affairs Field Co-Ordinator for the CSDA virtually presented the Transparency Certificate of Excellence for 2021 to the Board of Director's on behalf of the SDLF in recognition of good governance and best practices for Special Districts.

#### D. Manager's Report

#### **OPERATIONS**

#### **Production & Well Levels**

GM Johnson reported total production in July 2021 was 11,362,096 gallons, with a daily average of 366,519 gallons, representing about 19% of total production so far this year. Pleasant Acres was used for six days, San Juan Well was used the entire month and Carpenteria was used for all but one day.

There are a currently 967 meters connected. All water testing continues to be both filed on time and represent satisfactory results. However, there was an incidence of a lab error resulting in two sample results for the District getting mixed up, but this was quickly resolved with an amended report from the lab to the District and the SWRCB.

Reporting on well levels; Carpenteria Well is down two feet and San Juan Well is holding at 127 feet. The observational level for Marshall Well is up one foot and Aimee Meadows Well is down one foot.

#### **MAINTENANCE**

Since April, it was discovered that an inverter for the solar field was broken and some of the cabling was damaged, one of which was the data cable connecting to the internet which allows online performance monitoring of the solar field. All repairs have now been made and the panels were recently cleaned to improve performance.

#### **INCIDENTS**

None to report for July.

#### *ADMINISTRATIVE*

#### Staff & Board Recognition

ASO Coombes and WUSp Giron have been working on the next steps for the Cole Road Outreach project – more on this in the Action Items later in this meeting.

WUSp Giron switched the District from AT&T to Spectrum making the District internet connection significantly faster with less monthly cost.

CO DeAlba continues on medical leave, although available by phone if there is an emergency situation. This is likely to continue until January 2022. Operator Smith's confidence and knowledge is growing considerably with the additional responsibility. Workarounds continue with temporary and part-time coverage from Operator Sanchez, including occasional on-call coverage.

President Leap, Vice President Morris and GM Johnson will be attending the CSDA Conference next week; President Leap will be attending a pre-conference session which is one of the Special District Leadership modules. This completes a part of the requirements for the District of Distinction Award mentioned by Charlotte earlier.

GM Johnson spent a day in the field with the MNS Engineering team to work on the District facility assets elevation GPS survey.

GM Johnson attended a webinar regarding Financial Management Workshop for Special Districts.

GM Johnson met with the ACWA JPIA Senior Risk Control Advisor to discuss various safety related programs that they offer and various grant opportunities.

#### Conservation & Rainfall

Since the beginning of the new rainfall year on October 1, 2020, and up to this meeting on August 24, 2021, there has been a total of 9.44" to the date of this meeting, with no rainfall in July.

#### **Projects**

#### **Orchard Hill Road Proposed Annexation**

GM Johnson received a response from the Orchard Hill residents to indicate which parcels are to be included for MNS to provide a cost report; GM Johnson transcribed this list of parcels into a map format. MNS will be preparing the Engineering Report for presentation to the residents to see if they would like to continue with the annexation.

#### **New Water Source**

On Monday, GM Johnson received a report from Granite Rock on the sampling of their (approximately 500ft deep) "Orchard Well" as they know it. The report needs to be read and then GM Johnson will summarize the information for the next meeting. Martin Feeney is willing to help within a timescale of the next year; MNS is working on an engineering timeline, including building a shop on that site or the potential for acquiring another property; more on this in a later meeting as information clarifies. Various grant opportunities are available for different aspects and projects which MNS are investigating on behalf of the District.

**Correspondence**: GM Johnson pointed out several emails regarding the mis-reporting of the water sampling mentioned earlier.

#### IX. ACTION ITEMS

# A. Consider receiving an update on the Cole Road Outreach Project, adopting Resolution #2021-09 authorizing the District to proceed with the project.

With the increasing number of single parcel annexations along Cole Road, the Board directed Staff to conduct an outreach project to contact the remaining parcel owners to establish a more universal approach to annex the remaining parcels in one action in anticipation of future connections. The total collective cost to the District would be \$2,120 for LAFCo and legal fees; additional costs have been included by the District for mapping activities. Resolution #2021-09 is the Board official initiation of proceedings and will be submitted as part of the LAFCo application. Once the Board adopt this resolution, the project transforms from being an outreach project to an annexation project.

Director Holman moved to adopt Resolution #2021-09 as presented; seconded by Vice President Morris. The Resolution was unanimously adopted by roll-call vote with all Directors present.

#### B. Financial Reports for the Month of July 2021

On the Balance Sheet, Total Assets / Liabilities & Equity are \$11,020,096.70, of which Total Current Assets are \$4,794,251.20, and Total Fixed Assets are \$6,084,906.50. In Liabilities, the Total Current Liabilities are \$290,640.37 and Total Liabilities are \$4,424,282.05.

In the P&L Report, Water Revenue for July was \$144,831.81. Total Expenditures were \$74,991.95 between July 21 through August 17, 2021.

For the first time, GM Johnson provided a graphical representation of the Financials to clearly show how closely the budget matches the actual expenses; this was well received by the Board and will be continued for the foreseeable future.

Director Smith moved to approve the Financial Reports as presented; seconded by Vice President Morris. The Financial Reports were unanimously approved, with all Directors present.

X. FUTURE MEETINGS & AGENDA ITEMS. The next meeting will be on Tuesday, September 28, 2021.

The next meeting is likely to be the same hybrid format as this meeting. Topics will include potential grant opportunities.

### OPERATIONS AND MAINTENANCE REPORT

#### **OPERATIONS:**

- There are 969 total meters installed (two new ones installed in Logan Knolls)
- San Juan and Carpenteria wells were operated the entire month, while Pleasant Acres well was utilized for 12 days this month.
- Water Treatment Plant: finished water was free of both iron and manganese this month.
- Distribution testing for total Coliform; all samples were negative.
- All monthly DWR reports on Coliform, and Fe / Mn were filed on time.
- WTP filters are being backwashed when necessary.
- Monthly Generator in-house 15-minute testing under load.
- Monthly well-level monitoring (see attached chart).

#### **MAINTENANCE:**

- Preventative maintenance and flushing were performed, as needed.
- Chlorine chemical pump maintenance and analyzer maintenance at all wells was performed.
- Additional maintenance tasks are being performed as time allows.

#### **INCIDENTS:**

• None at the time of this writing

#### ADMINISTRATIVE REPORT

#### STAFF & BOARD RECOGNITION:

- CSR Bowman worked through some billing issues to get the bills out on time this month.
- WUSp Giron secured a meeting date for the Cole Road Outreach Project public meeting. The date
  is October 20<sup>th</sup>, with an informational letter to go out to the parcels along Cole Road in midSeptember.
- CO DeAlba is out on medical leave as of June 22. His return date is currently scheduled for January 2022. The District is keeping the temporary worker for another couple months to assist with routine maintenance tasks, as well as emergency operations and on-call time.
- Operator Smith continues to do a terrific job keeping the system working while CO DeAlba is out on medical leave. This continues to be a great opportunity for Operator Smith to increase his knowledge and understanding of the water system.
- GM Johnson worked with MNS to determine if there were any grant opportunities to augment financing of priority District projects.
- GM Johnson met with ACWA-JPIA's Senior Risk Control Advisor to discuss various safetyrelated programs and grant opportunities. An Action Item for tonight's meeting came from this meeting.
- GM Johnson and Vice-President Morris attended the CSDA Annual Conference (in person) at the end of August. President Leap attended a pre-conference session to facilitate the District gaining another step towards the District of Distinction accreditation.
- GM Johnson sat for the Certified Special District Manager exam that was facilitated and proctored by CSDA pre-conference. GM Johnson passed the exam; thus, completing a Strategic Plan objective by the established deadline.

#### **CONSERVATION UPDATE:**

August 2021 usage figures are very similar in magnitude to July's numbers, indicating another month of over one acre-foot of water usage per day (on average). August usage was actually 0.2% less than July. So, out of the total usage (so far this year), May's usage was 10,680,580 gallons, June's usage was 11,575,342 gallons, July's usage was 11,362,096 and August's usage is 11,339,778 gallons. To summarize, one-third of the year (four months) has accounted for 63% of the production.

September 30, 2021 will mark the end of the current water year. As of the date of this report (September 15), the rain gauge at Chittenden Pass has recorded 9.48 inches of precipitation, with 0.00 inches having fallen in August. When compared to the previous water year precipitation total (16.72 inches), the dry winter forecast was correct.

#### **PROJECTS:**

#### 1. Response to COVID-19 virus

Staff has been staying current on the ever-changing COVID-19 situation. The office has been reopened, and customers have adjusted to the changes. Further changes are expected in late September when the current Gubernatorial executive orders sunset.

### 2. Technology upgrade – SCADA (delayed due to COVID-19 pandemic)

Installations are complete – respective staff members are working to complete final "punch list-type items". These should be completed by the end of the calendar year.

### 3. Orchard Hill Road proposed annexation progress

The Scoping Evaluation/Feasibility Study for the project has been initiated, since an individual in the group paid for the Study. MNS Engineers has initiated this effort, and the FINAL Technical Memorandum (TM) should be completed in the near future. Based on the last set of emails, about nine parcels are interested. Once the TM is completed and a public meeting is held, the number of interested parties should increase.

#### 4. Progress on the Cole Road Outreach Project

At the last Board meeting, the Board adopted a resolution to move this project forward. An invitation to an information meeting was released in mid-September; announcing a Public Meeting on October 20 at the Aromas Grange to discuss the project.

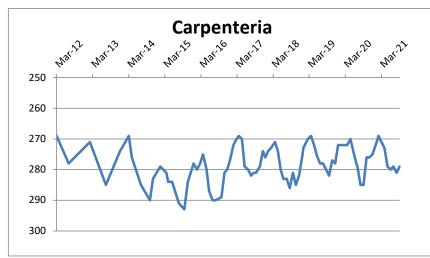

#### 5. Progress on Finding a New Water Source Project

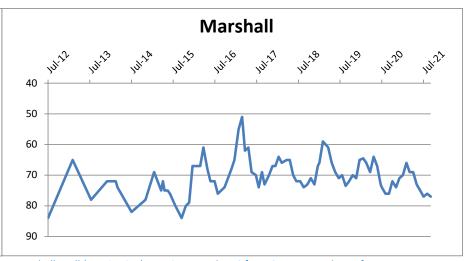

Staff has received the water quality information from a recent sample of the GraniteRock Orchard Well. MNS Engineers is working on a timeline for the project to determine the next steps and timing. Also, a grant for the drilling of a test well is being developed by MNS to be submitted soon to the newly-formed Small Community Drought Relief (SCDR) Grant Program. This state grant program started last August, and has \$192,000,000 to distribute, on a first-come, first-serve basis, until the deadline of December 29, 2023.

# **Staff Report**

Re: Item IX.A – Consider receiving a report regarding District volunteers

receiving Workers' Compensation Insurance, adopting Resolution #2012-

10 establishing that policy, and providing direction to staff.

Date: September 14, 2021

### **Summary / Discussion**

During a meeting between the GM and the ACWA-JPIA's Senior Risk Control Advisor, this topic was discussed, and the information below are excerpts from the ACWA-JPIA White Paper on the matter.

At its November 18, 1997 meeting, the ACWA-JPIA's Board of Directors approved a recommendation of the Executive and Risk Management Committees which requires all Liability Program members to adopt a resolution making volunteers subject to Workers' Compensation coverage. This is a standard recommendation of the Risk Management and Member Services Departments. Most members have adopted such a resolution.

Section 3363.5 of the California Labor Code empowers public agencies to designate that persons performing voluntary service without pay for the agency shall be deemed employees for purposes of workers' compensation benefits. This is accomplished by means of the governing body of the agency adopting a resolution to that effect. (That resolution is attached to this report).

Covering volunteers under workers' compensation has significant benefits. Workers' compensation benefits are statutorily defined. Claims costs are usually significantly lower compared to liability lawsuits for the same injuries or illnesses. The claims are easier to control since litigation is generally avoided. Also, providing benefits to volunteer workers under the "no-fault" workers' compensation system can be seen as good public relations.

Many members have volunteers; sometimes, the member might not even be aware of the exposure. Volunteers can include student interns, youth and civic groups undertaking projects, work-release inmates, or individuals responding to or assisting in emergency situations. All of these can be provided with workers' compensation benefits.

If a member (the District) does not currently carry workers' compensation coverage, an insurance policy should be obtained. For an agency with no employees a minimum premium workers' compensation policy can be obtained through the State Insurance Compensation Fund.

ACWA-JPIA is highlighting the need for this resolution due to some recent losses where a resolution had not been in place.

#### **Staff Recommendation**

### **RESOLUTION 2021-10**

# RESOLUTION RECOGNIZING VOLUNTEER DISTRICT PERSONNEL TO RECEIVE WORKERS' COMPENSATION INSURANCE

WHEREAS, the Aromas Water District (District) Board of Directors desires to provide Workers' Compensation Insurance benefits for persons authorized by the District to perform volunteer services for the District, and

WHEREAS, the Legislature of the State of California has provided through legislation (Labor Code Section 3363.5) authorization for the inclusion of such coverage in the District's workers' compensation insurance policy.

NOW, THEREFORE, BE IT RESOLVED, that the Aromas Water District Board of Directors hereby adopts the policy that an unpaid person authorized to perform volunteer service for the District shall be deemed to be an employee of the District for the purposes of Workers' Compensation Insurance benefits provided for by law for any injury or illness sustained by them while engaged in the performance of services for the District under its direction and control.

**PASSED AND ADOPTED** by the Board of Directors of the Aromas Water District, Aromas, Monterey and San Benito Counties, California, at a Regular meeting duly held on this 28th day of September 2021 by the following vote:
